

## *Extend your Lifestyle®* LED Lighting Solutions

### *light up your lifestyle*

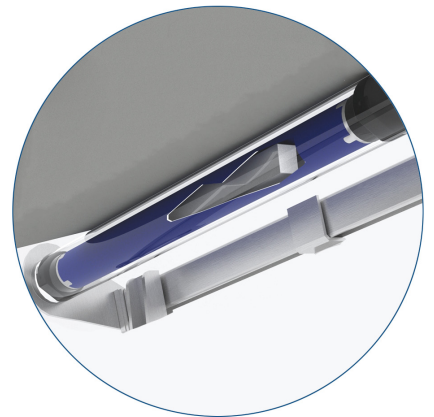

For year round entertainment, day or night, Aluxor's folding arm awning range with integrated LED Lighting provide the best of both sunshade protection and evening ambience to enhance any entertainment space.

Aluxor manufactures a range of high quality folding arm awnings with optional built in lighting systems. The dimmable LED light with opal diffuser is fitted to the awning front rail, enabling full use whether the awning is extended or retracted.

The discreet Tubelite transformer, dimmer and radio receiver is concealed inside the awning mechanism, providing a totally unobtrusive lighting solution protected from debris and weather.

A single remote control handset can control both the LED Lighting and awning motor mechanism at the touch of a button.

Aluxor Awnings is a leading manufacturer of German precision-engineered awnings, operating in Australia for over 40 years. Aluxor awnings are built to last.

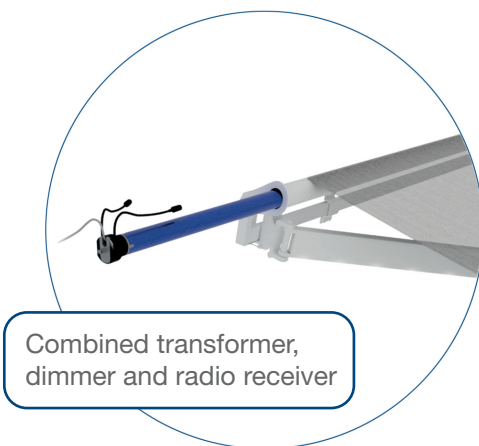

*Entertain with an Aluxor Awning  
day or night*
